Recommenda ons of the Campus Safety Measures Working Group

Improve communica on so our community has a bet er understanding of what campus safety
resources are available, such as campus safety escorts, and are equipped to make smart choices.
This will require using several di erent communica on modali es and sharing mul ple
messages throughout the course of a student's career at Rhodes.

- Although students, faculty, and sta generally feel ver safety on West Campus. To improve the sense of safe:
 - a. Incretangerobbe sighsengfavildramosjidverdtyhle addi o Educa on Building.
 - Have a marked Campus Safety vehicle pre a er dark. Encourage any dub ac vi es t students in at endance can take advantag
 - Con nue working with the city of Memphis in ent Street and at the intersec on of North Parkway.
 - 5. We do not recommend the addi on of a few arms this me, although we recognize this is an issue that The onl e e an armedo er would

any such incidents will con nue as the provided ac ve show over the summer.

- Work to make our coordinates or cers con nue to techniques, and train
- 7. Con nue to extertione to dimb over the fe

8.	Rhodes currently has a CARE team that provides extra support to members of our community facing various challenges. We will add a separate, highly trained threat assessment and management team specifically tasked to work with individuals who may pose a danger to themselves, others, or the Rhodes community.
